FAQs

Q1: WHERE CAN I GET A TOUR OF CAMPUS?

A: Campus tours will be offered on August 25, 27 and 28, 2014 during the NAIT New Student Orientation. Additionally, campus tours are offered by select program areas on the first day of classes.

Q2: WHO DO I CONTACT ON CAMPUS IN AN EMERGENCY?

A: NAIT Security is available 24 hours a day at 780.471.7477. When using a campus phone, you can simply dial 7477.

Q3: WHEN AND WHERE DO I GET MY BOOK LIST AND TEXTBOOKS?

A: Program areas provide students with their book list. The majority of programs provide the NAIT bookstore with a copy, which can also be found online under "textbook info." The bookstore recommends going to class before buying books unless you have received a book list from the program. Books should not be purchased any earlier than two weeks before classes start. If books get changed or need to be returned, there is a refund policy. To avoid lineups at the bookstore, you can order books online. Visit onlinestore.nait.ca for more details.

Q4: HOW DO I ACCESS STUDENT HEALTH AND DENTAL CARE?

A: All full and part-time students are automatically assessed a \$114.00 fee, per semester, for health and dental care. Students with existing coverage can opt out. To do this, go to the Student Benefits Office (E125) with proof of current coverage and fill out a waiver form, or visit mystudentplan.ca to opt out online (Deadline September 26, 2014). Students who elect to keep the coverage, are automatically activated around six-to-eight weeks after their start date. To learn more about the student health plan, please drop by the Student Benefits Office (E125), visit mystudentplan.ca or call 780.471.7730.

Q5: WHERE DO I GET ACADEMIC OR PERSONAL HELP ON CAMPUS?

A: The NAIT Academic Success Centre (W111PB) offers academic and personal counselling nait.ca/counselling and services for students with disabilities nait.ca/ssd. Find out more online or call 780.387.6133 for more details. The Tutorial Learning Centre (A133) offers drop-in tutoring for math, physics, and chemistry; peer writing assistance is also available in the Centre on a drop-in and appointment basis. Visit nait.ca/tutoring for more information. For help in other areas, students can hire a peer tutor through the Peer Tutor Registry in the student portal. Student Engagement also offers free study skills workshops. Look for posters around campus.

Q6: HOW DO I GET A LOCKER?

A: Throughout the academic year, locker rental will be subject to availability and is issued on a first-come, first-served basis. Students in full-time, apprenticeship and part-time programs are able to rent a locker through the MyNAIT portal. Rates are \$33.60 for a full locker and \$16.80 for a half locker per semester. Visit nait.ca/lockerrental for additional details and rental procedures.

Q7: WHAT IS THE U-PASS?

A: U-Pass (or Universal Transit Pass) is a mandatory transit fee for post-secondary students, granting unlimited regular access to Edmonton Transit (ETS), Strathcona County Transit (SCT) and St. Albert Transit (STAT). All qualified students are charged a \$155.00 U-Pass fee each semester and are issued a U-Pass sticker for their student ID card. All students are included in this program with the exception of apprentices, distance learners and some students on practicum. During peak intake times (Aug 20 – Sept 12, 2014), students can pick up their U-Pass sticker weekdays at the South Lobby kiosk (O Building): Mon-Thurs. 8:30 AM – 6:00 PM and Fri. 8:30 AM – 4:30 PM. For more information on the U-Pass program, please visit nait.ca/services/upass/.

Q8: HOW DO I ARRANGE PARKING ON CAMPUS?

Public transit is a great alternative to parking and is easily accessible to and from NAIT, especially using your U-Pass. Stay tuned for the new NAIT LRT line coming soon! For more information about parking, please visit mynait.nait.ca/parking.htm

Awards are given on the basis of academic performance or merit, community involvement, athletic ability, satisfactory academic standing, financial need and any other conditions stated in the terms of eligibility. To apply, visit the Scholarships and Bursaries Office (O101) and pick up a Scholarships and Bursaries Handbook or visit nait.ca/scholarships.

Q13: HOW DO I GET INVOLVED IN ATHLETICS OR INTRAMURALS?

A: If you are interested in playing for one of our athletic teams, visit the Ooks website at nait.ca/athletics and fill out a recruitment form.
