

**Continuing Education Designated Programs For
Post-Secondary Student Funding – (Loans & Bursaries)**

Consult Continuing Education Calendar or the web for dates and costs
F/T = Full-time P/T = Part-time

MAIN CAMPUS

ACADEMIC UPGRADING not designated for Post secondary student funding (loans and grants associated with loans)

BUILDING CONSTRUCTION AND DESIGN

Name of Program	Student Loan Code	F/T or P/T	Comment
Construction Technology Certificate	654	P/T	Funding available for Construction engineering diploma credit courses only. Must be enrolled in at least 20% to 59% full course load

BUSINESS ADMINISTRATION

Name of Program	Student Loan Code	F/T or P/T	Comment
Accelerated accounting	654	F/T & P/T	F/T = 3 AAC courses/semester (60% of full-course load), P/T = 2 AAC courses or less/semester. If combining with regular business courses must be enrolled in 4 courses to receive F/T funding
Bachelor of Applied Business – Accounting	559	F/T & P/T	Funding available for degree courses only. Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding
Bachelor of Applied Business – Finance	559	F/T & P/T	Funding available for degree courses only. Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding
Business Administration The Accounting Diploma The Finance Diploma The Management Diploma The Marketing Diploma	533	F/T & P/T	Funding available for diploma courses only. Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding
Office Career Training Certificate	402	F/T	Program offered at Yellow head & Pembina Consortium
Legal & Real-time Reporting	596	P/T	Part-time provincial funding for Machine Shorthand testing courses

BUSINESS CERTIFICATE COURSES & PROFESSIONAL DESIGNATIONS not designated for Post secondary student funding (loans and grants associated with loans)

ENGINEERING TECHNOLOGIES & TRADE RELATED TRAINING

APPLIED BUILDING SCIENCES			
Name of Program	Student Loan Code	F/T or P/T	Comment
AutoCAD	669	P/T	Provincial funding only (\$600)
Civil Engineering Technology	575	P/T	Funding available for Diploma courses only.
Construction Engineering Technology Construction Engineering Technology	619	P/T	Students may apply for Part time student loan & bursary funding for Construction Diploma Credit courses. Must be enrolled in at least 20% to 59% course load
Engineering Design & Drafting	624	P/T	Students may apply for Part time student loan & Bursary funding for EDD Credit courses. Must be enrolled in at least 20% to 59% course load

**Continuing Education Designated Programs For
Post-Secondary Student Funding – (Loans & Bursaries)**

**Consult Continuing Education Calendar or the web for dates and costs
F/T = Full-time P/T = Part-time**

ELECTRICAL & ELECTRONICS TECHNOLOGY			
Name of Program	Student Loan Code	F/T or P/T	Comment
Computer/Network Engineering Tech.(CNT)/(NET)	563	P/T	Students may apply for Part time Student loan funding for CNT & NET Diploma Credit courses. Must be enrolled in at least 20% to 59% of full course load
Digital Media & IT (DMIT)	433	F/T or P/T	Funding available for credit courses only. Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding
Electronics	578	P/T	Students may apply for Part time Student loan funding for Electronics Eng Tech Diploma Credit courses. Must be enrolled in at least 20% to 59% of full course load

HEALTH SCIENCES

Name of Program	Student Loan Code	F/T or P/T	Comment
Community Care Services			
Emergency Medical Responder	135	P/T	Must be enrolled in at least 20% to 59% full course load Must be enrolled in at least 60% of full course load Home Study Must be enrolled in at least 60% of full course load
Emergency Medical Technician (On-Campus)	136	F/T	
Emergency Medical Technician (home Study)	136	P/T	
Emergency Medical Technician- Paramedic (Lethbridge, Grand Prairie, and Three Hills locations)	904	F/T	
Continued Competency Medical Terminology Basic	582	P/T	Must be enrolled in at least 20% to 59% full course load
Occupational Health & Safety Occupational Health & Safety Diploma F/T	565	F/T & P/T	Must be enrolled in at least 60% of course load for full-time funding. Funding available for credit courses in diploma program only
Personal fitness trainer (on-line)	458	F/T & P/T	Must be enrolled in at least 60% of course load for full-time funding. Funding available for credit courses in diploma program only

HOSPITALITY programs are not designated for Post secondary student funding (loans and grants associated with loans)

INFORMATION & COMMUNICATIONS TECHNOLOGY

Name of Program	Student Loan Code	F/T or P/T	Comment
Bachelor of Applied Info. Systems (BAIST) Degree Preparation Courses	553	F/T & P/T	Funding available for BAIST Degree courses only. Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding
Information Sys. Development Major	553	F/T & P/T	
Network Management Major	553	F/T & P/T	
Computer/Network Engineering Technology (CNT/NET)	563	F/T & P/T	Funding available for CNT/NET Diploma courses only. Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding
Computer Systems Technology (CST) Credit Program	563	F/T & P/T	Funding available for CST Diploma courses only. Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding
Network & Security Support Analyst	461	F/T	Funding available for 1 year certificate courses only
Instrumentation Technology	628	P/T	Students may apply for Part time Student loan funding for Basic Instrumentation course. Must be enrolled in at least 20% to 59% of full course load

**Continuing Education Designated Programs For
Post-Secondary Student Funding – (Loans & Bursaries)**

Consult Continuing Education Calendar or the web for dates and costs
F/T = Full-time P/T = Part-time

MECHANICAL & MANUFACTURING TECHNOLOGY			
Name of Program	Student Loan Code	F/T or P/T	Comment
Machinist Program Computer Numeric Control Certificate	632	P/T	Must be enrolled in at least 20% - 59% of full course load Full course load = 640 hrs
Mechanical Technician (MAC790)	632	F/T	Must be enrolled in 20% -59% of full course load. Dates: Sep 27 to Mar 25, 2011 tuition \$2920.00 + Books & Supplies \$550
Mechanical Engineering Tech	579	P/T	Students may apply for Part time Student loan funding for MEC Diploma Credit courses. Must be enrolled in at least 20% to 59% of full course load
Power Engineering 2 nd Class (CML-Computer Managed Learning) 3 rd Class (evening & CML) 4 th Class (evening & CML)	170	P/T	Must be enrolled in at least 20% to 59% full course load

MEDIA & ARTS not designated for Post secondary student funding (loans and grants associated with loans)

PRODUCTIVITY ENHANCEMENT SERVICES not designated for Post secondary student funding (loans and grants associated with loans)

DISTANCE LEARNING

BUSINESS ADMINISTRATION			
Name of Program	Student Loan Code	F/T or P/T	Comment
Bachelor of Business Administration	533	F/T & P/T	Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding
Bachelor of Technology in Technology Management (BTECH)	563	F/T & P/T	Must be enrolled in 60 % of full course load for F/T funding and less than 59% for P/T funding On-line 10-week courses are not eligible for full-time funding. May be eligible for provincial part-time funding
ENGINEERING TECHNOLOGIES AND TRADE RELATED DISTANCE			
Name of Program	Student Loan Code	F/T or P/T	Comment
Mechanical & Manufacturing (Distance) Power Engineering Tech (CML) Power Eng. 2 nd Class Part A & B 3 rd Class (CML) 4 th Class (CML) 5 th Class (CML)	170 170 170 170 170	P/T P/T P/T P/T P/T	
Resources & Environmental Management (Distance) Petroleum Eng. Water & Waste Water	576 164	P/T P/T
