

CAREER FAIR

TUESDAY, JANUARY 22, 2013
9:30AM - 3:00PM

MAKING REAL CAREER CONNECTIONS
NAIT@50

DOES YOUR RESUMÉ GET A PASSING GRADE?

FREE RESUMÉ CONSULTATION!

Does your resumé and cover letter present your experiences, education and skills in a way that effectively showcases your abilities? Find out. Bring a current copy of your resumé and Human Resources representatives will critique it at no charge during this special one-day event.

DATE: Tuesday, January 22, 2013

TIME: 11:00am - 2:00pm

LOCATION: Room 0120 (next to the Common Market)

For more information contact Student Employment at 780.471.8899.

CAREER FAIR 2013

TUESDAY, JANUARY 22 | 9:30AM - 3:00PM

AN INSTITUTE OF TECHNOLOGY COMMITTED TO STUDENT SUCCESS
nait.ca/careerfair | #NAIT

PRESIDENT'S MESSAGE

NAIT's partnerships with business and industry play an essential role in student success. This Career Fair resonates with those partnerships and the employment opportunities available to NAIT graduates.

The fact that more than 90 per cent of our students find employment within months of graduation speaks to our competitive advantage of being relevant and responsive to the workforce needs of Alberta. This is consistently reflected in our Employer Satisfaction Surveys.

In the 2010 Survey, 98 per cent of employers would hire a NAIT graduate again, 94 per cent believe NAIT provides appropriate skills to graduates, while 96 per cent are satisfied with the performance of our graduates and would recommend them to other employers. These positive responses are not surprising, as our programs are informed by business and industry through advisory committees. Our hands-on, technology-based instruction prepares students for the real world, while our applied research is solution oriented, driven by the needs and requirements of our partners.

As NAIT celebrates 50 years as a polytechnic, we continue to focus on four educational pillars: science, technology and the environment; health; business and trades. The learning that takes place in our classrooms and labs, in our shops and in the field prepares students for meaningful careers.

The potential career options for students from the participating employers at this longstanding event are tremendous. Companies from across Alberta, many with a national and international reach, are what make NAIT's annual Career Fair such a success.

On behalf of everyone at NAIT, I say thank you to our industry partners for participating. To the students, I urge you to take advantage of this special opportunity. Together, we are building a brighter future for Alberta and making NAIT one of the world's leading polytechnics.

Sincerely,

A handwritten signature in black ink that reads "Glenn Feltham". The signature is written in a cursive, flowing style.

Glenn Feltham, PhD, MBA, LLB, CMA, FCMA
President and CEO

STRATEGIES TO GET THE MOST OUT OF THE NAIT CAREER FAIR

NAIT Student Employment
nait.ca/studentemployment

A CHECKLIST TO HELP YOU GET CONNECTED AT CAREER FAIR

- IDENTIFY** the employers that interest you the most (Quick Tip: keep an open mind – consider companies that you may not have thought of!).
- REVIEW** the list of Career Fair attendees and the map of their locations.
- RESEARCH** the company online prior to Career Fair (Quick Tip: ask instructors about the company – they may have valuable insight to help set you apart).
- DEVELOP** your plan of attack – if you have limited time, use the map to help you decide what employers to visit first (Quick Tip: The Career Fair is in three locations – South Lobby, North Lobby and the Gym, so plan your route accordingly).
- PREPARE YOUR RESUME** to be ready to hand out to employers. Resume tips can be found at www.nait.ca/studentemployer under Career Search Tools (Quick Tip: Write a targeted resume to the businesses you are interested in using the research you performed online – include some key words from their site or previous job openings you found).
- DECIDE** your attire in advance. Clean, well fitting, conservative clothes work best (Quick Tip: research shows that extra piercings should be removed and visible tattoos should be covered).
- REHEARSE** a personal pitch. You have limited time to make a lasting impression. Have a 10-15 second pitch to introduce yourself, your skills and your abilities (Quick Tip: Watch your time and the body language of the employer, you don't want to monopolize the employers time when there is a crowd around their area).
- PREPARE SOME QUESTIONS.** If it looks like the employer has time to talk, ask some questions related to the company. This is a great way to show them the research you did!

SOME EXAMPLES OF UNIQUE QUESTIONS:

What type of entry level positions exist within your company?

What is a typical day at work like at your company?

How many employees are in...(your department of interest)?

How would I apply for a position at your company?

What do you consider an important trait of a potential employee?

CONNECTING STUDENTS TO EMPLOYERS

Visit all of the employer displays to get a full range of career opportunities or find your program to connect to a list of suggested employers.

Note: Apprenticeship programs are not listed below as the students in these programs are already indentured.

Do you remember
making new discoveries
every day?
We still are.

At Cenovus, that feeling is present in everything we do.
And in everyone we hire.

We're looking for fresh and unique perspectives. Because it's more than
just developing the energy resources our world needs. It's how we do it.

Discover the possibilities on cenovus.com

ENERGY

New ideas. New approaches.

CAREERS AT SHELL

OPERATIONS AND SKILLED CRAFTS

At Shell we are working to help meet the world's rising demand for energy. Advanced technology is helping us unlock new energy resources and develop existing oil and gas fields more efficiently and responsibly, just as we are doing with the Athabasca Oil Sands Project and the Orion Project that uses Steam Assisted Gravity Drainage (SAGD) technology.

Whatever your role at Shell, as part of a diverse, international network comprising some of the finest minds in the business, you'll be helping to power people's lives around the world for generations to come.

Can you apply a creative mind to some of the world's biggest energy challenges?

If so, stop by our booth at the NAIT Career fair and find out more. To apply, please visit **www.shell.ca/jobs**.

Let's deliver better energy solutions together.

Shell is an Equal Opportunity Employer.

careers.slb.com

85 years of innovation

>110,000 employees
>140 nationalities
~80 countries of operation

Who are we?

We are the world's largest oilfield services company¹. Working globally—often in remote and challenging locations—we invent, design, engineer, and apply technology to help our customers find and produce oil and gas safely.

Who are we looking for?

We need more than 5,000 graduates to begin dynamic careers in the following domains:

- Engineering, Research and Operations
- Geoscience and Petrotechnical
- Commercial and Business

What will you be?

¹Based on Fortune 500 ranking 2011.

EMPOWER YOUR POTENTIAL

Careers at Sherritt

Sherritt International Corporation is a diversified natural resource company that offers a wide variety of rewarding career opportunities across its operations and projects both in Canada and internationally

Sherritt is a world leader in the mining and refining of nickel from lateritic ores, with projects and operations in Canada, Cuba, Indonesia and Madagascar. It is also the largest thermal coal producer in Canada and the largest independent energy producer in Cuba.

In addition to competitive total rewards and support for career growth, Sherritt offers employees:

- ★ Diverse Opportunities
- ★ A Culture of Collaboration and Innovation
- ★ A Responsible Future

Now is the time to empower your potential by joining Sherritt

sherritt

www.sherritt.com/careers

FORWARD.
TOGETHER.

I (WE) BUILT THIS

- ▶ We construct amazing things from the ground up – huge, multidisciplinary projects, all over the continent – and we're looking for some equally amazing people to join in and lend a hand.

We offer an exceptional work environment. Management is approachable, ethical and accountable. Innovation is respected, effort is rewarded and job safety is a primary focus for absolutely everyone: zero incidents is the goal. Hours are reasonable, home life is encouraged and remuneration is competitive.

If you're looking for a challenging career, this is as good as it gets!

NOW HIRING. APPLY ONLINE AT: WWW.LEDCOR.COM/CAREERS
