

Diagnostic Medical Sonography Refresher Program

SCHOOL OF PROFESSIONAL AND CONTINUING EDUCATION

PROGRAM OVERVIEW

These courses are designed for individuals to update their skills with a review of the major principles and theory currently in practice in Diagnostic Medical Sonography.

They serve as a “refresher” and are NOT intended as entry level courses for individuals who have not entered the profession. Students may have the option of hands-on practical experience in an ultrasound department of a participating hospital and/or clinic.

The Diagnostic Medical Sonography Refresher courses will be delivered online, using WebCT as the learning management system.

NAIT will work with the student to find a suitable clinical placement.

COURSES OFFERED

- Physics and Instrumentation
- Abdomen and Superficial Structures
- Obstetrics and Gynecology
- Adult Echocardiography
- Vascular Technology
- Clinical Practicum

Continuing Medical Education (CME) credits will be offered for each course.

ENTRANCE REQUIREMENTS

The student must have successfully completed a medical ultrasound registry examination (e.g. ARDMS, ARRT, CCI) in the specialty applied for.

Application process and course details are under development. Please check www.nait.ca/dmsrefresher for updates.
