

HOW TO APPLY

The best way to apply to NAIT is by using the online application at www.nait.ca/apply.

Questions about the application process can be directed to the Student Success Contact Centre at 780.471.6248 or toll free (within Canada) at 1.877.333.6248.

STEP1: When to Apply

To ensure consideration for the Fall term, you are advised to apply online by March 31st. Some programs will accept applications up to the first day of class depending on space availability, but it is best to apply early. Specific application deadlines for NAIT programs are available at www.nait.ca/appdeadlines

STEP2: Application fee

A non-refundable \$82 processing fee must be paid when you submit your application. You can apply for up to two programs at the same time – just indicate first and second choice. You do not have to pay a second processing fee and your second choice will be considered simultaneously with your first choice.

STEP3: Documents

Official transcripts of all your high school and post-secondary education must be sent to NAIT for assessment. To verify if your program of choice requires a Career Investigation Report, please visit: www.nait.ca/careerinvestigation. It is your responsibility to ensure that all required documents are received.

STEP4: Application Status

After completing your online application, you will receive a confirmation email containing your NAIT student ID. Go to the Student Portal at www.nait.ca/MyNAIT to activate/create your account. Once you are logged in, you can use the Self-Service tab at the top of the Portal home page to view information related to full-time day admissions.

STEP5: Financial Aid

Check out the following links to see if you are eligible for financial aid, awards or scholarships, and leave yourself plenty of time to submit the appropriate forms. www.nait.ca/financialaid
