ABOUT THE PROGRAM:

NAIT offers 6 levels of ESL instruction, from high beginner (levels 1, 2 and 3) to high intermediate (levels 4, 5 and 6). Students will write a placement test to determine their start level.

1 level = 15 weeks (or 1 semester)

\$4580/level (or 1 full-time semester) *cost subject to change

Start in Fall (September), Winter (January) or Spring (May).

Each level teaches speaking and listening, reading and vocabulary, writing and grammar, preparation for academic study at NAIT, and practical skills for studying and living in Canada.

Classes are small, only 15-20 students, focusing on applied learning and hands-on activities.
