

**MSDN Academic Alliance Software Centre  
as at January 2011**

To participate in this promotion, you must be registered in, or have taken, a Computer Training Centre course in the past year. Complete the form located at [http://www.nait.ca/cit/docs/MS\\_Academic\\_Alliance\\_Software.pdf](http://www.nait.ca/cit/docs/MS_Academic_Alliance_Software.pdf) and then email the completed form to [ctc@nait.ca](mailto:ctc@nait.ca). You will receive a confirmation e-mail with a link to purchase the software.

<p><b>Office Groove 2007 - \$19.95 USD</b></p> <p>Groove 2007 is a collaboration software program that brings teams together to work on project activities and share information — anywhere, anytime, with anyone. Teams use Groove 2007 for a broad range of projects, from simple document collaboration to custom solutions integrated with business processes. Working in Groove 2007 workspaces saves time, increases productivity, and strengthens the quality of deliverables.</p>	<p><b>OneNote 2007 - \$19.95 USD</b></p> <p>OneNote 2007 is a flexible software program that provides people one place to gather their notes and information, powerful search to find what they are looking for quickly, and easy to use collaborative tools so that they have a solution to information overload and can work together more effectively.</p>
<p><b>Project Professional 2007 - \$19.95 USD</b></p> <p>Office Project Professional 2007 includes all the capabilities in Office Project Standard 2007. In addition, Office Project Professional 2007 provides enterprise project management capabilities when connected to Office Project Server 2007. Project Standard 2007 is a project management product designed to address the work and people management needs of today's organizations. Project Standard 2007 gives you ways to plan, manage, and communicate project information, resulting in increased productivity and effectiveness.</p>	<p><b>Project Professional 2010 - \$19.95 USD</b></p> <p>Microsoft Project Professional 2010 offers a powerful, visually enhanced way to effectively manage a wide range of projects and programs. From meeting crucial deadlines, to selecting the right resources and empowering your teams, Project Professional 2010 delivers new and intuitive experiences to simply plan, manage and collaborate with individuals, teams and the enterprise. New task-based graphical menus with familiar and essential functions make it easy to create and manage projects. Combining the ease of a tool like Microsoft Excel with the powerful Project scheduling engine, Project Professional 2010 puts you in control.</p>
<p><b>Visio Professional 2007 - \$19.95 USD</b></p> <p>Office Visio 2007 makes it easy for IT and business professionals to visualize, explore, and communicate complex information. Go from complicated text and tables that are hard to understand to Visio diagrams that communicate information at a glance. Instead of static pictures, create data-connected Visio diagrams that display data, are easy to refresh, and dramatically increase your productivity. Use the wide variety of diagrams in Office Visio 2007 to understand, act on, and share information about organizational systems, resources, and processes throughout your enterprise.</p>	<p><b>Visio Professional 2010 - \$19.95 USD</b></p> <p>The advanced diagramming tools of Visio 2010 help you simplify complexity with dynamic, data-driven visuals and new ways to share on the Web in real-time. Start by building your diagram with professional-looking templates and modern, pre-drawn shapes. Then, easily link your diagram to popular data sources (such as Excel). You'll see data automatically refresh right within your diagram, reflected in vibrant visuals such as icons, symbols, colors, and bar graphs. Finally, with just a few clicks, publish your data-linked diagram to SharePoint, and provide access to others on the Web, even if they don't have Visio.</p>
<p><b>Windows 7 Professional (x64) - \$23.00 USD</b></p> <p>Make the things you do every day easier with improved desktop navigation. Start programs faster and more easily, and quickly find the documents you use most often. Make your web experience faster, easier and safer than ever with Internet Explorer 8. Watch, pause, rewind, and record TV on your PC. Easily create a home network and connect your PCs to a printer with HomeGroup. Run many Windows XP productivity programs in Windows XP Mode. Connect to company networks easily and more securely with Domain Join. In addition to full-system Backup and Restore found in all editions, you can back up to a home or business network.</p>	<p><b>Windows 7 Professional (x86) - \$23.00 USD</b></p> <p>Make the things you do every day easier with improved desktop navigation.
