

### **Confirmed Certificates**

If you are accepted to one of our full time programs, NAIT will confirm your enrollment electronically.

You will receive Section 3 **pre-printed** (a confirmed) loan certificate in the mail.

These confirmed certificates will have an amount remitted as fees for the 1st semester (I.e. Tuition, Student Association, Health and Dental fees.)

***If you wish to pay entire years tuition fees from your 1<sup>st</sup> disbursement of the loan and to avoid paying additional administration fees, you may pay your winter tuition fees at the Cash office upon cashing the student loan.***

### **Unconfirmed Certificates**

If NAIT is unable to confirm your enrollment electronically due to any reason, you will receive Section 3 **NOT pre-printed** (an unconfirmed) loan certificate in the mail.

The above certificate must be signed at the Financial Aid Office confirming that you are a full-time student for the period indicated on the loan document.

If you are using student loans to pay your tuition fees and other mandatory fees, school officials will be remitting funds from your student loan certificate.

The signed/confirmed loan certificates **must be taken to a designated Canada Postal Outlet**. For verification of personal information, you are required to provide two forms of identification to the post office (one must be a federal ID and a photo ID). The post office will courier the certificates to EDULINX and/or the National Student Loan Service Centre (NSLSC).

***NOTE: During the peak registration times, schools will make arrangements to have EDULINX representatives present on campus. You may hand in your student loan documents to EDULINX reps.***

Once the NSLSC/EDULINX process your loan certificates, you will receive your funds on your Canada Loan within seven business days and Alberta loan within four business days after the disbursement date on your document.

***NOTE: If you have enclosed a VOID cheque, the money will be deposited in your account on the above date. You may request that a cheque be mailed to you. You can expect to receive a cheque in approximately two weeks.***
