- Medical Laboratory Assisting (SHLS)
- Medical Laboratory Technology (SHLS)
- Medical Transcription (SHLS)
- Occupational Health and Safety (SAST)
- Personal Fitness Trainer (SHLS)
- Respiratory Therapy (SHLS)
- Veterinary Medical Assistant (SHLS)

## COMPUTERS AND IT

- Computer Engineering Technology (SAST)
- Computer Network Administrator (SAST)
- Digital Media & IT\* (SAST)
- Network Engineering Technology (SAST)
- Wireless Systems Engineering Technology (SAST)

## ENGINEERING TECHNOLOGIES

- Biomedical Engineering Technology (SAST)
- Chemical Engineering Technology (SAST)
- Civil Engineering Technology (SAST)
- Electrical Engineering Technology (SAST)
- Electronics Engineering Technology (SAST)
- Engineering Design & Drafting Technology (SAST)
- Instrumentation Engineering Technology (SAST)
- Materials Engineering Technology (SAST)
- Mechanical Engineering Technology (SAST)
- Nanotechnology Systems (SAST)
- Petroleum Engineering Technology (SAST)
- Power Engineering Technology (SAST)

## ENVIRONMENT & NATURAL RESOURCES

---

- Alternative Energy Technology (SAST)
- Biological Sciences Technology\* (SAST)
- Chemical Technology (SAST)
- Geological Technology (SAST)
- Geomatics Engineering Technology (SAST)
- Water and Wastewater Technician (SAST)

## CONSTRUCTION

---

- Architectural Technology (SAST)
- Construction Engineering Technology (SAST)
- Interior Design Technology (SAST)
- Landscape Architectural Technology (SAST)

## DESIGN & COMMUNICATIONS

---

- Captioning and Court Reporting (SAST)
- Digital Media & IT\* (SAST)
- Graphic Communications (SAST)
- Photographic Technology (SAST)
- Radio & Television\* (SAST)
