Broaden your search results	Enter the "root" of a term in the find box with an asterisk (*)	<i>resist*</i>	List of articles that contain <i>resist, resistance, resistant and/or resisted</i>

HELP

Click the **Support & Account Services** link at the top, right side of the screen. The **Search link** under the **Search Solutions** heading is a great place to find out more about how to search this database. On the same page you can also find a link to instructional videos. They are really helpful and most are under 5 minutes.
