Congratulations!
Your new Kensington Wireless Presenter offers you increased control for more effective presentations. Please read this short manual to learn valuable information about the proper use and installation of your new Wireless Presenter.

Register your new Wireless Presenter online at www.register.kensington.com.

Features
Your new Wireless Presenter is compact, comfortable and convenient. It allows you to control presentations up to 60 feet (18m) away. This all-in-one Wireless Presentation Remote is loaded with many features:
1. USB receiver stores conveniently inside the remote and automatically shuts it off to save battery life
2. Up to 60ft (18m) of wireless range
3. Simple and easy to use—just plug & play
4. Compatible with most presentation applications including Microsoft® PowerPoint® and Apple Keynote™
5. Play slideshow
6. Next slide, previous slide buttons
7. Hide button

Specifications
Range: Up to 60 feet (18m)
Frequency: 2.4 GHz
Battery: 2 AAA batteries
System Requirement: PC running Windows XP®, 2000®; Macintosh® running Mac® OS 10.2.8 or later; Available USB port.

Connecting your Presenter
To connect to a USB port: Plug the Presentation Remote USB Receiver into your computer’s USB port. You may also use the spare USB port on your keyboard or a USB port on a hub connected to your computer. You do not need to turn off your computer before connecting or disconnecting a USB device.

About your Wireless Presenter
• The maximum range is 60 ft (18m) between the receiver and the remote.
• The receiver has a single light indicator with 2 colors, green and red. For every button press of the presenter, the receiver LED quickly flashes green to indicate that the battery level is good. The LED will flash red on every button press if the battery level is low.
• The Wireless Presenter should work up to one year with the batteries that come with it. This is based on average usage. To extend battery life when not in use, be sure to turn off the remote by inserting the receiver into the remote.
• Always replace the batteries in sets, using the same age and brand of batteries.
• Always dispose of batteries properly.

Contacting Kensington
Troubleshooting information and answers to frequently asked questions are available 24 hours a day on the Kensington Web site at www.kensington.com.

Technical Support
Technical support is available to all registered users of Kensington products. There is no charge for technical support except the cost of the phone call, and long distance charges where applicable. Technical Support Contact information can be found at the end of this instruction guide.
Technical Support Tips

- You may find the answer to your problem in the Frequently Asked Questions (FAQ) section of the Support area on the Kensington Website.

- Explore the Technical Support section of the Kensington Website.

- Call from a phone where you have access to your computer.

Be prepared to provide the following information:

- Name, address, and telephone number

- The name of the Kensington product

- Make and model of your computer

- System software and version

- Symptoms of the problem and what led to them

Two-Year Limited Warranty

KENSINGTON COMPUTER PRODUCTS GROUP ("KENSINGTON") warrants this product against defects in material and workmanship for a period of two years from the original date of purchase. KENSINGTON, at its option, shall repair or replace the defective unit covered by this warranty. Please retain the dated sales receipt as evidence of the date of purchase. This warranty does not cover damage to the product resulting from accident, misuse, abuse or neglect. This warranty is valid only if the product is used in accordance with the instructions accompanying this warranty. This warranty does not cover any damage due to accident, misuse, abuse or

Declaration of Conformity Compliance Statement for the Wireless Presenter

The Wireless Presenter model number 33373 complies with Part 15 of the FCC Rules and Industry Canada RSS-210. Operation is subject to two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference which may be received, including interference that may cause undesired operation.

Declaración de Conformidad para el Control Remoto Inalámbrico

La compatibilidad para la norma NMB-003 del Canada.

As defined in Section 2.909 of the FCC Rules, the responsible party for this device is Kensington Computer Products Group, 333 Twin Dolphin Drive, Redwood Shores, CA 94065, USA.

The user is cautioned that changes or modifications not expressly approved by KENSINGTON may void the user's authority to operate the device under FCC regulations and must not be made.
