

RefWorks Direct Export Knovel

Do a search in Knovel:

When you find the book you're looking for, click the title and on the lower left hand side you will see an option that says, Citation (1). Then click the link that says **Export** (2). Then select **RefWorks** (3) from the drop down box.

You will be prompted to login to RefWorks if you have not already done so. Under the **View** tab in RefWorks, click **View Folder** and then select **last imported** folder to see your citation(s).
