# EARN A CANADIAN DIPLOMA AND DEGREE IN 4 YEARS

## AT NAIT

### Plus, receive a $10,000 award to support your education

With our new 4-year degree pathway, you can earn a technology diploma and a Bachelor of Technology in Management (BTech) degree from NAIT, plus be eligible to apply for a Post-Graduation Work Permit (PGWP) to stay in Canada and work after graduation.

## HOW IT WORKS

**STEP 1**
START WITH AN IN-DEMAND 2-YEAR DIPLOMA

**STEP 2**
LADDER INTO THE BACHELOR OF TECHNOLOGY (BTECH) 2-YEAR DEGREE PROGRAM

**STEP 3**
RECEIVE A $10,000 BTECH SCHOLARS AWARD

**STEP 4**
GRADUATE WITH A BTECH DEGREE AND APPLY FOR YOUR PGWP

**STEP 5**
START YOUR TECHNOLOGY OR MANAGEMENT CAREER

## PROGRAM DETAILS

Specialize in one of our technology diplomas, then build your management and business skills with the Bachelor of Technology in Management (BTech) degree. The BTech degree focuses on leadership, problem solving, business strategy and risk management.

This 4-year pathway will open more career opportunities in various industries and roles such as project management, operations management and sustainability management.

## Tuition

Join one of Canada's most affordable degree program pathways! See the eligible diploma programs and tuition for the 4-year pathway below.

| ELIGIBLE DIPLOMA PROGRAMS | YEAR 1 IN DIPLOMA PROGRAM | YEAR 2 IN DIPLOMA PROGRAM | YEAR 3 IN BTECH DEGREE | YEAR 4 IN BTECH DEGREE | TOTAL FOR THE BTECH PATHWAY |
|---|---|---|---|---|---|
| *Alternative Energy Technology<br>*Architectural Technology<br>*Civil Engineering Technology<br>*Engineering Design Technology<br>*Interior Design Technology<br>*Instrumentation Engineering Technology<br>*Mechanical Engineering Technology<br>*Wireless Systems Engineering Technology | $26,460 CAD | $26,460 CAD | | | Without Award: $97,020 CAD<br><br>With Award: $87,020 CAD |
| *Biomedical Engineering Technology<br>*Chemical Engineering Technology | $26,827.5 CAD | $26,827.5 CAD | Without Award: $22,050 CAD<br><br>With Award: $17,050 CAD | Without Award: $22,050 CAD<br><br>With Award: $17,050 CAD | Without Award: $97, 755 CAD<br><br>With Award: $87,755 CAD |
